Sir:

Pursuant to Applicants' duty of disclosure under 37 C.F.R. § 1.56, enclosed is a list of one (1) reference for the Examiner's review and consideration. These references are listed on the enclosed form entitled "List of References Cited by Applicant." A copy of this reference is also enclosed herewith. The reference was cited in a recent search report, which was issued in connection with a corresponding European patent application.

Identification of the foregoing reference is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since that form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited."

Applicants respectfully request that the Examiner review the reference and make it of record by completing and returning the enclosed List of References.
